

STANDING ORDER - Dorking Swimming Club – 2014 Fees

Hi – Welcome to the Club! Please set up separate payments for each swimmer and return these to your bank. The fees you owe should be divided by the number of months left to the end of October. So if you join in March you would make eight payments. If you join after June then divide your fees to be paid by the end of December. Please contact the relevant membership secretary if you have any queries. Thanks Dan, Treasurer
