

# Dorking Masters - Standing Orders

Please complete and start paying as soon as you complete the membership forms. This saves time as we have 300+ members to collect fees from.

The year you join:

- Fees are
  - £21 a month for M2 (Total £252)
  - £26 a month for M3 (Total £312)
  - £38 a month for M4 (Total £360)
- You owe from the month you start.
- If you are a month or more behind then please add that to your first payment and then revert to (e.g. £42 as first payment and £21 from then on if you are an M2). The banks are used to this and the form is designed to accommodate this.
- Please make all payments arrive on the last work day of the month

Year 2 and beyond

- You will be posted a new standing order form with the new fees in early January. This must be sent to your bank before the last week of January. The Club does not have a direct debit.

Other ways to pay

- We insist on standing orders as there is minimal administration required once they are set up.
- However cheques will be accepted for the full year's fees or an initial cheque for 50% and a second post-dated done for the remainder.
- We can accept direct electronic payments. Please quote your 3 digit account number. Please get this from the Membership Secretary whose email is [masters.membership@dorkingsc.com](mailto:masters.membership@dorkingsc.com)

ASA

- You will be enrolled as a Cat 1 ASA. Your Category 2 ASA for competitive swimmers is not automatic and will be paid if you are to compete for the club. This will be confirmed with you at the start of each calendar year.

**Thanks**
